Financial Policy Acknowledgment

We are committed to providing you the best available medical care. Our personnel will be pleased to discuss our fees and this policy with you at any time. Your clear understanding of our Financial Policy will enhance our professional relationship. Thank you for your review and acceptance of this policy

- All new patients must complete our Patient Information Packet before seeing the doctor.
- Full payment for our services is due at the time of service, unless other mutually agreed upon arrangements are made with our office staff.

- **Insurance**
  You are responsible for timely payment of your account. Insurance is a contract between you and your insurance company. We are NOT a party to this contract, nor can we become involved in disputes between you and your insurer regarding deductibles, co-payments, covered charges, secondary insurance, "usual and customary" charges, etc. We cannot be held responsible to know every plan and every payment that will be made. There are some procedures performed in our offices that are not surgical procedures, but we are required by the insurance guidelines to report the procedure under an insurance code, which your insurance company may classify as surgery. If these procedures go towards your deductible, you will be billed for the charges. Our involvement will be limited to supplying factual information to facilitate claim processing.

- **HMO and PPO**
  Co- payments and deductibles must made at the time of your visit, when applicable.

- **Medicare**
  We are participating Medicare providers, thus we accept assignment of payment for your claims. We are required by Medicare to file your claims for you. Medicare will pay us directly and provide you with an EOB

  (Explanation of Benefits) detailing allowances, payments, and/or denials.

- **Third–Party (not HMO/PPO) or supplemental (secondary)**
  We do not file claims to insurance carriers for which we are not providers or with which Medicare does not coordinate benefits. We will provide you with the information you need to submit your primary or secondary claim.

I have read and acknowledge the Financial Policy as set forth by South Texas Renal Care Group.

Missed, Late and Cancelled Patient Appointment Policy

We strive to provide our patients with exceptional medical care and we make every effort to accommodate our patients' scheduling needs. Patients who: (i) do not show up for scheduled appointments, (ii) arrive late for scheduled appointments, or (iii) cancel scheduled appointments without providing at least **twenty- four** hours' advance notice inconvenience other patients who need timely access to medical care. We would like to remind our patients of our policy regarding missed, late and cancelled appointments.

If a patient is unable to keep his or her scheduled appointment, please notify us at least **twenty-four** hours in advance of the appointment by calling (**210) 212-8622**. Patients who do not reach a member of our staff should leave a detailed voicemail message on our answering machine or with our answering service and a member of our staff will promptly return each patient's call or email to reschedule his or her appointment.

No-Shows; Missed Appointments. A "no-show" is defined as a patient who fails to show up for a scheduled appointment without calling to cancel an appointment.

Late Cancellations. A patient is deemed to have cancelled late if a patient cancels his or her appointment with less than **twenty-four** hours' advance telephone or email notice.

Late Appointments. A patient is deemed to have arrived late to his or her appointment if such patient has not arrived by the scheduled appointment time, **regardless of whether a patient calls in advance to notify us that he or she may be late.**

We reserve the right to discontinue providing care to patients who miss **two** or more appointments or who cancel **two** or more appointments late by providing less than **twenty-four** hours advance notice. We also reserve the right to discontinue providing care to patients who are late to **three** or more appointments. This policy is applicable to all of our patients, regardless of race, religion, color, sex, age, disability, national origin, sexual orientation, genetic makeup or any other basis or protected class covered by federal, state or local law.
A $25 charge ***per instance*** will be assessed for missed or late appointment notifications.
